

TAYLOR CASE GETS STARTED

Damage Suit Against Bamberger Line Underway; Jury Selected

Hearing of the case of Leslie Taylor against the Bamberger Electric Railroad company, seeking damages of \$50,000 for alleged injuries received when he fell from a train in 1918, was in full swing this morning in the district court before Judge George S. Barker.

Impanelling of the jury was completed yesterday afternoon and the depositions of several witnesses were entered to be read. The jury is composed of James N. Garner, Clifford Hession, Joseph F. Smith, Joseph West, Henry A. Chase, Joseph A. Wright, James Williams and William K. Hipwell.

Several of the witnesses in the case will not be present to give testimony and depositions have been obtained from them. Yesterday afternoon the depositions of Walter Atkinson, Ray Beller and Henry Buck were entered.

In his complaint Taylor complains that he was compelled to stand on a car step in coming from Lagoon, due to the crowds, and was shaken off when the car suddenly lurched. His injuries caused the amputation of one leg, it is charged.

George Halverson and the firm of Marienau & Beck of Salt Lake are representing Taylor in the case. Devine, Howell, Stone and Gilliam are representing the railroad.

QUESTION RIGHT TO ENTER ROOM

Thomas Ryan and Ed. Johnson Bring Up Search Without Warrant Question

Questioning the right of officers to enter a man's room and arrest him and at the same time to search the room for evidence without a search warrant, Judge D. R. Roberts took the cases of Thomas Ryan and Ed. Johnson charged with being drunk, under advisement in the city court this morning. Both defendants pleaded not guilty to the charge.

They were arrested yesterday when Patrolman W. W. Richardson and Detective Edward Butterfield arrested James Duffy at the European hotel 765 Twenty-fourth street. Duffy pleaded guilty to being drunk and was fined \$50 or the alternative of serving 50 days in jail. Ryan and Johnson entered pleas of not guilty.

According to the testimony of both the arresting officers they found Ryan in bed with his clothing on. In a room opening off of that occupied by Ryan was Johnson. The officers testified that both men were drunk. They also admitted searching the room and of finding three cans of "canned heat" which Assistant City Attorney Samuel Powell asked to have admitted in evidence, which was done.

Ryan called W. R. Orem, proprietor of the hotel, who testified that the gas meter in the room had been out of order for some time. Ryan testified that he and Johnson had used the "canned heat" for cooking purposes.

The membership campaign being conducted by the Wasatch Athletic club is gaining daily with the signatures of prominent men of Ogden, according to an announcement made today by President James Downing.

The new gymnasium and business men club, which opened last week at the building formerly occupied by the Eagles club on Grant avenue, is one of the best in the state.

Forty-three new members were enrolled Wednesday.

Business men are working out daily at the new club, taking advantage of the gymnasium, the steam room, shower baths, swimming pool, punching bag, rowing machines, wrist machines, apparatus, volley ball, basketball and bowling.

The second night class in gymnastics work will be featured at the club this evening with Director Malcolm Watson in charge.

SERVICE MAN WINS LENIENCY

Judge Barker Reduces Sentence Following Plea Made By White

Leniency was granted this morning in the district court by Judge George S. Barker to John M. White, a former soldier who served in the war, was gassed in action and in receiving compensation from the government owing to his injuries.

White entered a plea of guilty to a charge of attempting to obtain money by fraud and, although the maximum sentence for the offense is 30 months in jail, he was given but 30 days.

The former soldier was at first charged with attempting to pass a worthless check for having presented a check for \$15.74 at the Western Market, and asking that it be cashed. The check was drawn on the Pingree bank of Ogden and the clerk became suspicious and notified the sheriff.

White appealed to the court for leniency yesterday when he was brought up for sentence, explaining that his lungs were in a weakened condition as a result of gas and he had difficulty in breathing in the county jail. He admitted the attempt to pass the check and declared he was extremely sorry and would lead a better life when he told of his parents turning against him.

Judge Barker continued passing sentence until this morning to give him time to investigate the soldier's story. In passing sentence this morning, Judge Barker said that in view of the man's circumstances and the valuable part he played in the war, he would be lenient. The court warned White that in reducing his sentence he did not wish it understood that the court was condoning his action in regard to the check, but simply in view of his condition. He told the man that he would profit by the mistake he made and would lead a better life when he was released from the county jail.

DON'T FORGET QUALITY COUNTS

BEGGARS PICK UP FAIR WAGES

Give Money to Salvation Army and Weed Out Professionals, Is Appeal

There would be less begging on the streets of Ogden if pedestrians would direct all such persons to the Salvation Army headquarters, 251 Twenty-fifth street, Captain Robert Henderson said this morning, where such men would be given employment and the professional beggars would be weeded out.

Professional beggars are earning from \$4 to \$8 per day beginning on the streets, he said, which money if turned over to the Salvation Army would provide for from 20 to 40 men per day.

He said that the local organization had received to date \$651 by telegram and mail with which to send boys back to their homes; that numerous sick men had been cared for as well as stranded women and children.

Good, substantial food such as rabbit-stew, potatoes, bread, coffee and jelly is provided, he said.

NAME OFFICIALS FOR HOOP GAME

Willard Aston was named today to referee the Ogden-Baker hoop contest at the Ogden High school Friday night by Joel E. Ricks, division representative of the Utah High School Athletic association. Owen C. Wilson will act as umpire.

Considerable interest is being stirred up in Ogden over the Friday game. The announcement made today with regard to a play-off between the Box Elder-Weber teams should the Brigham eagles defeat the Wildcats has created wide interest.

In order to enter the state tourney the two teams must play a third game should the Brigham five defeat the Weberites. In case this is necessary the game may be played on the Ogden High school floor or it may be staged on the Deseret gymnasium floor at Salt Lake.
